*'Twas the Night Before
Christmas* by Tamara
Tunie of Law and Order!

FREE

The Friends of St. Nicholas Park is a coalition of residents and community based organizations, working together to revitalize our neighborhood's natural resource. We advocate for the increase in programming, beautification projects, and the over all positive use of our 23-acre park. With the help of many neighborhood groups, including St. Mark's United Methodist Church, Community Board 9, the YMCA'S Jackie Robinson Youth Center, the Hamilton Heights Homeowners Association, and the Historic Harlem Parks Coalition (HHPC), we hope to achieve these goals.
